CHALLENGE OF CHANGE: NEW CHALLENGES

The Zagreb Stock Exchange together with the Association of Pension Fund Management Companies and Pension Insurance Companies have decided to join forces again this year to create "Challenge of Change" conference, a central event of the entire Croatian financial community, as well as that of the region.

With more than 400 financial industry, state administration and corporate participants, the conference presents an ideal opportunity for sharing knowledge and expertise and making new contacts, which has proven to be an invaluable component of this event.

The conference devotes great attention to global and European economic and market developments, viewing both capital market and funds' asset management trends in Croatia from that same perspective.

A number of foreign speakers from renowned institutions, and panel discussions enlisting the participation of prominent Croatian experts are seen as a solid starting point in discovering the future.
