## Download the „Challenge of Change 2017“ Conference application!

All the important information about the most significant Get together of the Croatian and regional financial community, NOW are available in one place - your mobile phone!

Check the schedule, find out more about the sponsors, connect with other participants, evaluate the lectures...

The application is available for Android and iOS software. If your mobile phone doesn't support the software you can connect to the website directly by using the link available on <http://get.lumishow.com/download.php>

### How you can download the application:

- Download 'Lumi Show 6.0'
- Open Lumi Show 6.0
- Scan QR code or find Event on the list
- Start download the application
- Open IFMC-ZSE application
- Once you log in through the app you will receive additional benefits: communication with participants, creating your own schedule, CHECK IN at the lectures so you can participate in prize games ecc.
